Briefly summarize the investigation describing your efforts to prove or disprove the allegation(s). Indicate whether witnesses or evidence support or do not support the allegation(s).  
In sustained cases ONLY, copies of the accused member's Summary of Previous Disciplinary Actions and Record of Previous Complimentary History will be included as attachments.

Reporting Sergeant has made a total of six (6) phone calls spanning twenty-five (25) days without success in reaching the complainant, [REDACTED]. Reporting Sergeant did send a certified letter to [REDACTED] which was received by him on 21 March 1998. As of 30 March 1998, [REDACTED] has not contacted R/Sgt. in regard to the allegations he previously made to the call back unit.

Reporting Sergeant advised the two (2) accused officers of the allegations, advised them of their administrative rights and the right to counsel. Both officers left written reports for R/Sgt. and their account of the incident varies only slightly from the complainants. [REDACTED] admits attempting to pick up a prostitute after leaving the United Center, the officers recall [REDACTED] relating he was looking to buy drugs. [REDACTED] relates that he "let a M/B into his vehicle" whereas the officers relate [REDACTED] said his friend was in the vehicle with him. [REDACTED] alleges that the "unknown M/B took his keys" and the officers recall that [REDACTED] said he allowed his friend to take the car to look for drugs. The officers assisted [REDACTED] by transporting him into the 013 District to call someone for assistance. The officers both state that [REDACTED] never related to them that he felt his vehicle was stolen, nor that he requested a case report be made in regard to his vehicle. [REDACTED] has failed to contact R/Sgt. to be interviewed and clear up the discrepancies.

R/Sgt. also learned that [REDACTED] vehicle was recovered the following day at 1 N. Madison which is much closer to the United Center than Washington and Western and may be the reason he has failed to contact R/Sgt.

Summarize the findings and recommendations. Rule violations will be cited by number only. One overall recommendation for Disciplinary Action will be made by the investigator. The recommendation will be for ALL sustained findings; recommendations will NOT be made for each sustained allegation.

Example: 1. Violation noted, no disciplinary action warranted. 2. That the accused member be reprimanded. 3. That the accused member be suspended for ..... days (not to exceed 5 days).

Reporting Sergeant finds the account given by the accused very credible in that the complainant admitted his attempt at illicit activity to the Sergeant at Call Back. The complainant may have altered the story slightly to Call Back for unknown reasons. The officers version of this incident goes unchallenged other than the complainants original story, which cannot be confirmed or substantiated. Additionally, the officers went a step further in their attempt to assist the complainant.

Therefore, Reporting Sergeant respectfully requests that this investigation be closed and listed in the accused officers personnel files as:
